DEAR PARENTS:

Due to a large increase of High Deductible Insurance plans, we will be increasing our upfront payments from \$75 to \$100 at time of service. Once your deductible has been met and your balance on the account is up to date, we will waive the upfront collection.

If you have further questions please feel free to speak to our office manager who can go into further details with you.

Thank you so much for your understanding in this matter.

Sincerely:

Regina P Justice, MD
